TERMS AND CONDITIONS FOR BECOMING A MEMBER OF THE EUROPEAN CIVIC FORUM

1. CONTACT THE NETWORK HEAD OFFICE

Do you share our values and convictions? Then do not hesitate to join the European Civic Forum. To do so, you need to be a legal entity (national association or NGO, European network or inter associative national platform) and to agree with the **statutes** and the **founding resolution** of our network, as well as with the **updated resolution of 2007**, which you may find on our website within the section "Becoming member".

Then, you just need to present your application form to the ECF's Board of Directors, as indicated within the application form. The ECF asks for an annual 20 euros membership fee.

2. ACCEPTANCE

The European Civic Forum is both a network of associations and NGOs and a biannual gathering of European associative actors.

To become member of the European Civic Forum, it is necessary to be proposed as candidate by the Board of Directors which will take the decision at 2/3 of its members. This decision has to be ratified by the Annual General Meeting.

Legal entities asking to be member of the association cannot make appeal of the decision of the Board of Directors.

On receipt of your application form, you will be asked to participate in the annual General Assembly in order to present your organization to all the members.
